

21<sup>st</sup> of November 2022

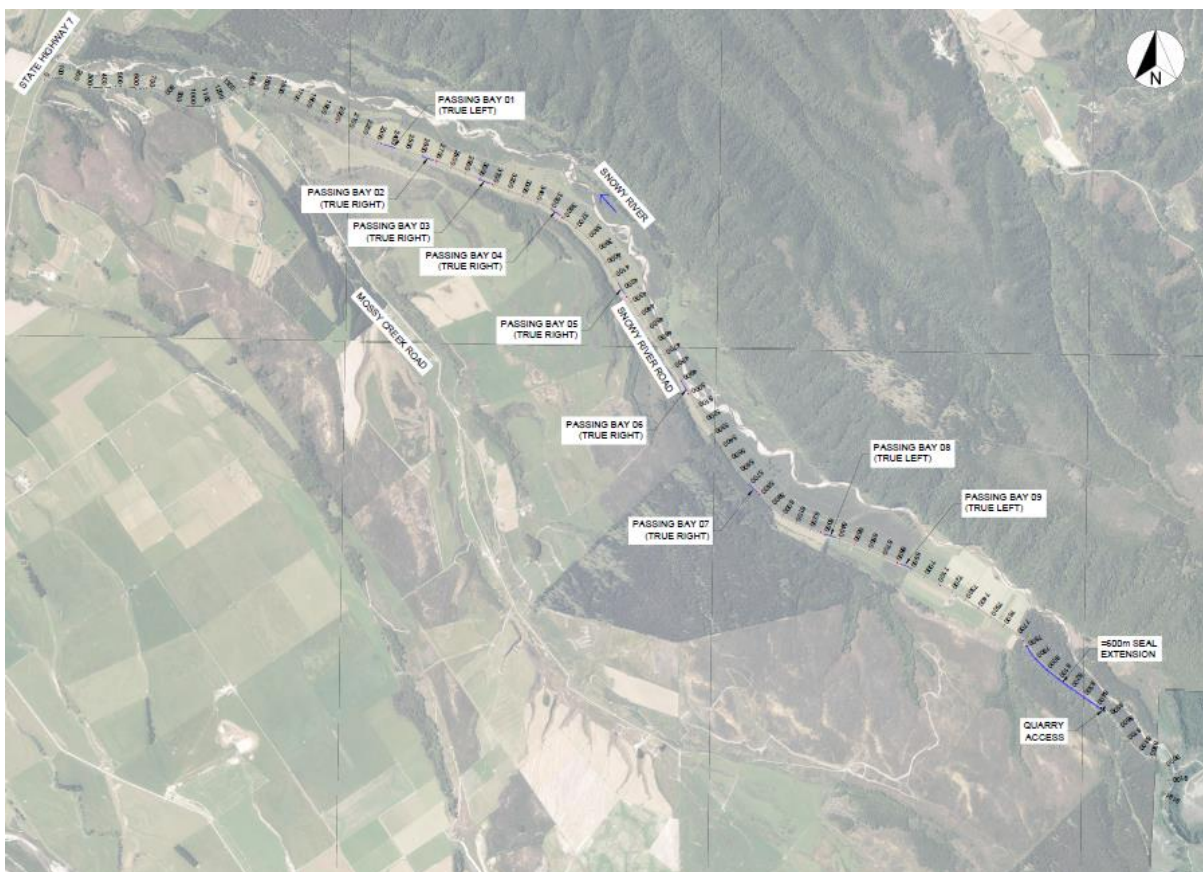

## Notification of Roadworks – Snowy River Road

Federation Mining would like to advise Snowy River Road users that roadworks are scheduled to commence on the 28<sup>th</sup> of November 2022 (weather permitting) to install a series of passing bays.

This work forms part of our Resource Consent commitments with the Buller District Council and will be managed by Rosco Contractors.

Traffic management and speed restrictions will be in place to protect the safety of road workers and we appreciate your understanding while this project is completed.

It is anticipated that these works will be completed over a number of weeks and may need to be delayed due to weather.

If you have any questions on this project please feel free to contact Federation on 03 732 7028 or [info@federationmining.com.au](mailto:info@federationmining.com.au)
